Welcome to Kerkrade

Kerkrade is known far afield as a city of music, culture and attractions. The many music societies, the scores of works of art in the city and its specific cultural traits form the breeding ground for the city's rich and varied cultural life. Kerkrade is host to several music festivals generating national and international pulling power: the World Music Contest for bands and the Orlando Festival for chamber music. CantaRode aims to organize the choral event, gathering choirs from all over the world to present their high level in choral music.

Welcome to Rolduc Abbey!

Our festival location is Rolduc Abbey, founded in the 12th century. The Rolduc Abbey Hotel merges the age-old tradition of monastic hospitality with contemporary service. The modest atmosphere of tranquillity makes Rolduc Abbey a unique and inspiring location for the participants of CantaRode.
